Dear Head of Art

## **Farley Arts Trust Awards 2017**

**We are delighted to announce that the Farley Arts Trust Awards will again take place in 2017 and very much hope your students will take part.**

The aim of the awards is to celebrate and raise awareness of the creative achievement of young people in East Sussex schools and colleges thereby promoting a wider recognition of the importance of creative work in schools and giving young people the opportunity to exhibit their work in the **Farleys Gallery**, taking it beyond the classroom and into the community.

Schools undertaking Art at GCSE/level 2 and A-Level/level 3 can submit work within seven categories: sketch books; painting; 3D; 2D/mixed media; works on paper; photography; and textiles. In addition there are two special Surrealism Awards with the winning works exhibited during the 2018 public opening season in Farleys House, Chiddingly alongside works by Roland Penrose, Lee Miller and Picasso.

### **Process**

- **Schools register by completing the attached Registration/Application form by Monday 27 March 2017.** On the form they must select the categories for which they wish to be considered and post a cheque to Rosemary Colebourn, at the address shown on the Registration Form, for the correct registration fee and made out to Farley Arts Trust.

- **By Friday 23 June 2017** schools must email a jpeg (**must be 300 dpi**) of each work of art that they are submitting plus a short statement by the student about the piece. **Details of each work must be on a separate Art Work form.** Schools are asked to copy all photographs to disc and send that to Rosemary Colebourn at her address given on the Registration Form. **Please be aware that Year 11 and 13 students may have left school by this deadline and so schools will need to ensure students' statements and photographs are available.**
- **A copy** of the completed Art Work form **must also** be attached to the back (or as appropriate) of the art work in preparation for the October exhibition.
- A panel of Farley Arts Trust board members, including Antony Penrose, will make the selection of works to be included in the exhibition in the Farleys Gallery in October 2017. Schools will be informed of the results before the end of the summer term and **all** selected students are considered to be **Arts Award Winners** and their work will be included in the exhibition and illustrated in the catalogue alongside their statement. They will be able to obtain copies of the catalogue.
- Once the exhibition is hung in the Farleys Gallery the selection panel will choose a winner in each category and the winner's school will be presented with a prize donated by a variety of sponsors. The award certificates for the category winners and the sponsored prizes for schools will be presented at the pre-exhibition reception for
